

## **FAITH BAPTIST CHURCH MISSIONARY QUESTIONNAIRE**

Though many of the questions asked in this questionnaire may seem unnecessary, they are necessary if we are to ensure that the missionaries that Faith Baptist Church supports are doctrinally sound. We must make a sincere effort to protect ourselves from apostasy. We are requiring all missionaries that we currently support, or missionaries that we are considering taking on for support, to complete this questionnaire. Periodically, we will ask all of our missionaries to complete this questionnaire again. If you are not satisfied with the yes/no answers we have provided, please feel free to elaborate. We apologize for any inconvenience that this questionnaire causes you. Please complete, sign, and return this entire questionnaire.

IF YOU WILL NOT, OR DO NOT, COMPLETE THIS QUESTIONNAIRE, THEN WE CANNOT SUPPORT YOU.

(20) We believe and teach that salvation is by the grace of God through repentance and faith. We believe that for conversion to take place, the Holy Spirit must first have wrought conviction in the heart of the unbeliever. We further believe that a sinner must make a personal decision for Christ after he is convicted of his sin. Do you agree with this teaching?                      Yes                      No

(21) We believe that any missionary supported by Faith Baptist Church should be in close agreement with our published beliefs, as posted on our website (<https://faithbaptistofspokane.com/what-we-believe/>). We also believe a missionary should live a biblically separated life and exercise biblical principles in his/her daily activities. While we do not believe that maintaining standards or convictions produces spirituality, we do believe that maintaining them certainly helps to set a good Christian example.

Do you agree with, and live by, these beliefs and practices?                      Yes                      No

If "No," please explain your answer: \_\_\_\_\_
