To Whom It May Concern,

It is my pleasure to recommend Alvin and Haley Yankana.

Alvin was raised on the mission field helping his parents with the ministry. He gives a clear call from the Lord to the field of Guyana.

I have known Haley her entire life. She was raised in the Pastor James Mohler home. She has a clear understanding of ministry and is excited to go with her husband to the field of Guyana. She grew up using her talents for the Lord in her local church Faith Baptist Church in Spokane, MO.

They have been faithful church members and have actively been involved in many ministries at Faith Baptist. They have participated in local outreach endeavors, he has preached, taught Sunday School classes, and they have used their singing talents for the Lord's glory. They have always proved to be an asset to the ministry there.

I have confidence that the Lord will use them greatly in the days ahead. Our church plans to support them with our prayers and finances and I heartily recommend this couple to you.

Sincerely,

Kevin Metsinger - Pastor
